FIRST-YEAR REDUCTION IN CLIENT'S MEDICAL COSTS

1200

CLOSED CLAIMS IN FIRST MONTH OF PARTNERSHIP

Avizent knows results.¹

¹ Skyrocketing claims costs led a major energy producer to take action and choose Avizent as its new risk management partner. Our task? Increase savings, decrease high reserves and reduce balance sheet liabilities. Utilizing our claims and medical management services, precise claims knowledge and close communication with the client, Avizent developed a tailored program that immediately produced significant results in its first year.

NATIONAL LOCATIONS UNDER
AVIZENT'S WORKERS' COMP
ADMINISTRATION

Avizent knows innovation.¹

¹ For nearly a decade, Avizent has been third party administrator for a major transportation company. With over 7,000 locations nationwide, their account requires special handling, state-specific knowledge and national account team collaboration. Our goal for this long-term, unique partnership? Continue to maximize opportunities for claims savings. Focusing on aggressive pursuit of subrogation paid off - Avizent reached new milestones in recoveries, far exceeding industry standards.
